ABOUT HOTEL CHAIS MONNET & SPA

Opened in October 2018, the Hotel Chais Monnet & Spa immerses its guests in the cozy world of the former cognac cellars of the Monnet family. The hotel occupies the site of a former 19th century trading house, which remained fallow in the 2000s and 2010s. Fortunately, the period buildings, such as the distillery and the cooperage, have been preserved and have enabled architect Didier Poignant to draw on this rich industrial heritage to create a calm and elegant five-star spa hotel.

The establishment offers 92 discreetly chic rooms and suites, with light wood furniture and amber, tobacco, brown and blond fabrics, reminiscent of the nuances of cognac. The Hotel Chais Monnet & Spa also has a Michelin-starred gourmet restaurant, Les Foudres, a contemporary brasserie, La Distillerie, a Jazz bar, Le 1838, which offers a selection of more than 300 different cognacs and a rooftop lounge open from May to September , as well as meeting rooms. The wellness area includes a spa with the Olivier Claire and Kos brands, a fitness room, a jacuzzi, an indoor and outdoor swimming pool, a hammam and a sauna. www.chaismonnethotel.com
